

Puzzle Doubles!®

Search & Learn Sea

Double the learning fun with the new Puzzle Double Search and Learn series! Each beautifully illustrated 50-piece, giant sized 3' x 2' floor puzzle also includes 12 double sided question cards and 12 game puzzle pieces. First the puzzle is assembled, leaving out the clearly marked 12 game puzzle pieces. Once complete, the puzzle now becomes a game! As the parent reads aloud the question cards, the child must locate the correct game pieces and place them into the puzzle. As an additional learning exercise for younger players, use the reverse side of the question cards to play a matching game with the 12 game puzzle pieces! The Search and Learn series is a fantastic interactive learning tool for all youngsters!
